Haiti. Currently, Rotarians from our area and around the world are in Haiti working with Districts in the Dominican Republic, the Cayman Islands, and Jamaica to provide four essentials: food, water, medicine, and water purification systems. With these efforts already in operation on-the-ground, and with Rotary's capacity for quick response, your donations can reach caregivers immediately and without red

tape or bureaucracy. Each Rotarian in our District has been asked to contribute \$40, however donations of any amount are welcomed - and needed!

## **2010 Four Way Test Program**

Students throughout the Baltimore County area are busy preparing for this year's Four Way Test Program! Fourteen elementary, middle, and high schools will submit entries for the poster, essay, and speech contests, and cash prizes will be awarded to students who best exemplify Rotary's Four Way Test in their works. High school winners will compete for scholarship money in the District finals in April.

The Rotary Club of Hunt Valley and The James W. Houck Foundation are encouraging local businesses to join us in supporting this annual event. School Sponsorships are available for \$500, and offer businesses and organizations the opportunity to partner with us for their respective school. In addition to recognition in program materials, sponsors will present student winners with their awards at the ceremony on April 22. Companies interested in sponsoring a school should contact Greg Pierce at GPierce@OnSparks.com for more information. Program information is available at [www.JWHouck.org](http://www.JWHouck.org).
