Support Shawan Downs & The Houck Foundation

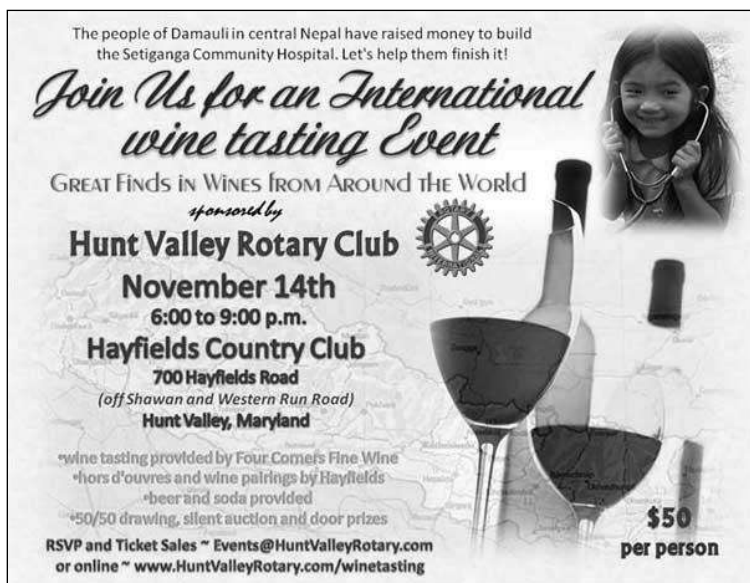

The Rotary Club of Hunt Valley Rotary will be directing Program Ad sales for the 2009 Legacy Chase at Shawan Downs to be held on Saturday, September 26. In addition to supporting the Land Preservation Trust, proceeds will go to the James W. Houck Foundation, our 501(c)(3), and directly support our Four-Way Test Program, local charities, and international service projects. Please email Support@HuntValleyRotary.com for more info.

Members enjoy a sunny day at one of our outdoor meetings

SAVE THE DATE!

The Wine Tasting Fundraiser for our 2009 International Service Project will be held on Saturday, November 14 at Hayfields CC. This year's project will benefit The Setiganga Community Hos-pital in Nepal. Construction was about 80% completed when the local Nepali clubs ran out of funds. We will be partnering with the Towsontowne Club and others in the Baltimore area. The evening will feature food, fine wines, a raffle, and silent auction. For tickets or more information, please email Nancy.Young@HuntValleyRotary.com.

The people of Damauli in central Nepal have raised money to build the Setiganga Community Hospital. Let's help them finish it!

Join Us for an International wine tasting Event
